KSEG International Symposium on “Geophysics for Discovery and Exploration”

Fostering International Collaborations in Geophysics

September 19 - 21, 2012

ICC, Jeju Island, Republic of Korea

Dear Colleagues;

We are very pleased to announce that the Korean Society of Earth and Exploration Geophysicists (KSEG) is organizing an “International Symposium on Geophysics for Discovery and Exploration” to be held at the International Convention Center (ICC) of Jeju Island, Korea on September 19 - 21, 2012.

Through sponsorship of this International Symposium, the KSEG intends to foster international collaborations in pure and applied geophysics between our members and our colleagues in other geophysical societies around the world.

For additional details and a preliminary program of the symposium, please visit our website: <http://2012symp.seg.or.kr/>.

Abstract submission: April 1 through June 30, 2012.

On-line registration deadline: August 15 (Wednesday), 2012.

The correspondent author should pre-register before July 31 (Tuesday), 2012.

We are looking forward to your participation.
