## INVITATION FROM THE CHAIRMAN OF THE ORGANIZING COMMITTEE

On behalf of the Organizing Committee, I would like to invite professionals to attend the 9<sup>th</sup> International Workshop on Innovative Anaerobic Technologies (IAT) on June 12-13, 2013. This event will be a special international conference as a partial program of Annual KSEE(Korea Society of Environmental Engineers) Conference to be held on June 11-13, 2013 at COEX, Seoul.

We recognize energy, environment, and water sustainability as challenging problems that must be resolved, and believe that IAT can help advanced brilliant ideas that can contribute to find better strategy for them. So please share your knowledge and ideas to promote advantages of anaerobic process. There will be invited speakers to share valuable experiences and cutting-edge information about various anaerobic technologies and its pre- and post-treatment technologies including resource recoveries.

I would sincerely encourage you to respond to this call for papers and plan to attend the workshop.

Looking forward to meeting you in Seoul.

**Hang-Sik Shin (Professor at KAIST)**  
Chairman  
Organizing committee
